An emergency medical technician (EMT), also known as an ambulance technician, is a health professional that provides emergency medical services. EMTs are most commonly found working in ambulances. In English-speaking countries, paramedics are a separate profession that has additional educational requirements, qualifications, and scope of practice. EMTs are often employed by private ambulance ...

"It's despicable that anyone would use 911 for a fake medical call, threaten the lives of EMTs, and steal the tools they use to save lives," Fire Commissioner Daniel Nigro is quoted as saying in a statement. The commissioner notes that this is the second incident of a bogus 911 call luring EMS workers to a public housing project.
