Revised in the light of recent developments in HRM policy and practice, this text now includes new chapters on human capital management, the role of the front line manager, HR strategies, and implementing HR strategies and learning and development. It also incorporates the results of surveys and research projects conducted by professionals.

Human Resource Practice is a practical and accessible guide for students and anyone looking to gain a thorough understanding of HR, and is the definitive text for the CIPD's Level 3 Foundation Certificate in HR Practice. It covers all the core areas of HR including recruitment and selection, performance management, reward and learning and development (L&D) as well as providing students with the broader coverage of the business environment that they need to succeed including topics such as change management, organisational context and the legal background to employment. This fully updated 8th edition of Human Resource Practice now includes new discussion of job design, people analytics and employee mental and is fully aligned to the new CIPD foundation syllabus. Reflective practice questions, case studies and explore further boxes throughout encourage students to think critically about the content and understand how it applies in practice in the workplace. Most importantly, this book contains a dedicated chapter on personal effectiveness to ensure that students develop all the skills they need for a successful career in HR such as presentation and communication skills, empathy, resilience and guidance on how to handle difficult conversations. Online resources include an instructor's manual, lecture slides and annotated web links.

Recognizing the inherent tensions and contradictions that result from managing people in organizations, Human Resource Management in Public Service: Paradoxes, Processes, and Problems offers provocative and thorough coverage of the complex issues of management in the public sector. Continuing the award-winning tradition of previous editions, this Sixth Edition helps you to understand complex managerial puzzles and explores the stages of the employment process, including recruitment, selection, training, legal rights and responsibilities, compensation, and appraisal. Grounded in real public service experiences, the book emphasizes hands-on skill building and problem solving. New to the Sixth Edition: Ethics case studies have been added to all the chapters, enabling you to learn about a variety of ethical situations that come up in management. Updated and consolidated recruiting strategies offer you a window into the most current methods used in the recruitment process and provide insight into the job seeker's perspective. New examples from a broad range of local, state, federal, and international settings enable you to apply key concepts to common management issues.
