Once Upon A Time In China was one of many Chinese films to feature Wong Fei-Hunt (Jet Li) who was a symbol of Chinese nationalism against the incursion of foreigners in the 1800s. This was the first in a series of films directed by Tsui Hark. While there's plenty of great action sequences and comedy as well it suffers from a meandering plot.

Inspired by the Robert De Niro film, this story spans three generations of a family of Jewish immigrants to the United States. A gang of friends discover - through trust, hard work and brutality - the true meaning of the American Dream.

When wily animals, everyday people and magical beings come together in a collection of Japanese fairytales and stories, wonderful things are bound to happen! Bringing Japanese folk stories to the English-speaking world, this book presents eight stories from the popular NHK Japan Broadcasting Corporation's popular radio series Once Upon a Time in Japan. Each story is brilliantly illustrated by a talented Japanese artist. The tales recounted here are among Japan's oldest and most beloved stories. Entertaining and filled with subtle folk wisdom, these retold stories have been shared countless times in Japanese homes and schools for generations. Like good stories from every time and place, they never grow old. Kids (and their parents!) will enjoy hearing these stories read aloud on the accompanying CD. The fairytales and classic stories in this collection include: The Wife Who Never Eats!the story of a man who learns the hard way the evils of stinginess. The Mill of the Seal!the story of how a greedy man was responsible for the saltiness of sea water. The Monkey and the Crab!the crabs teach a tricky monkey a lesson in fairness and honesty. The Magical Hood!an act of kindness reaps great rewards. Sleepyhead Taro and the Children!a story about what can be accomplished at the right time, and with the right help and the right spirit. The Fox and the Otter!how a fox pays the price of deceit and selfishness. The Gratitude of the Crane!a story about the rewards of kindness and the danger of curiosity. The Tale of the Bamboo Cutter!a girl who starts life very tiny turns out to be big in many ways.

Quentin Tarantino's long-awaited first work of fiction!at once hilarious, delicious and brutal!is the always surprising, sometimes shocking, novelization of his Academy Award winning film. RICK DALTON!Once he had his own TV series, but now Rick!s a washed-up villain-of-the week drowning his sorrows in whiskey sours. Will a phone call from Rome save his fate or seal it? CLIFF BOOTH!Rick!s stunt double, and the most infamous man on any movie set because he!s the only one there who might have got away with murder. . . . SHARON TATE!She left Texas to chase a movie-star dream, and found it. Sharon!s salad days are now spent on Cielo Drive, high in the Hollywood Hills. CHARLES MANSON!The ex-con!s got a bunch of zonked-out hippies thinking he!s their spiritual leader, but he!d trade it all to be a rock [in] roll star.

Quentin Tarantino's long-awaited first work of fiction - at once hilarious, delicious, and brutal - is the always surprising, sometimes shocking new novel based on his Academy Award-winning film. BONUS: This edition contains a Once Upon a Time, There Was You discussion guide. Even on their wedding day, John and Irene sensed that they were about to make a mistake. Years later, divorced, dating other people, and living in different parts of the country, they seem to have nothing in common!nothing except the most important person in each of their lives: Sadie, their spirited eighteen-year-old daughter. Feeling smothered by Irene and distanced from John, Sadie is growing more and more attached to her new boyfriend, Ron. When tragedy strikes, Irene and John come together to support the daughter they love so dearly. What takes longer is to remember how they really feel about each other. Elizabeth Berg's immense talent shines in this unforgettable novel about the power of love, the unshakeable bonds of family, and the beauty of second chances.

Few directors are characterized by both extraordinary film craft and the ironic reputation for lowbrow films. Despite his many achievements as a child of the Italian Cinecitta studios, however, Sergio Leone has been judged severely by writers who find his films lacking in ideas and moralists who find his films unduly cynical. Nevertheless, Leone's greatest cinematic achievement, Once Upon a Time in the West, served to refute these criticisms while exposing the director's unique romanticism and artistic ambition. As Leone's fourth successful American western film, Once Upon a Time in the West earned him acclaim for liberating the western genre, restoring it to a place of antique American simplicity. The principal goal of this book is to sharpen an appreciation for Sergio Leone and his most famous American western. The first two chapters deal with the relationship between Once Upon a Time in the West and the western films that preceded it, particularly those of John Ford. Subsequent chapters concentrate on the central characters of Once Upon a Time in the West, with special attention to Jill, Leone's first female protagonist and a surprisingly successful character, central to the plot and accorded a kind of existential strength usually reserved for men in Westerns. The sixth, seventh and eighth chapters address Leone's visual style, which represents a unique fusion of Hollywood classicism and modernism, and reveals the influences of Italian Surrealism and the French New Wave. The final chapters explore the rhythm, romanticism, and musical character of Once Upon a Time in the West, espousing the theory that Leone's approach to film is, above all, musical.

Sharing nothing in common except their 16-year-old daughter, divorced parents John and Irene reconnect in the wake of a devastating tragedy and discover things about each other that they had not revealed during their marriage. By the award-winning author of The Last Time I Saw You. Reprint.

Looks at the cinematic art of mainland China, Hong Kong, and Taiwan discussing the creativity of Chinese film, and exploring the intertwined traditions of the three regions and their influence on movies.
