was headed down  
a very different  
road, living a  
reckless  
lifestyle that  
would have  
destroyed him in  
the end, but God  
had a different  
plan. He heard  
the gospel at a  
Fellowship of  
Christian  
Athletes

Manual, at  
meeting, at  
which he wasn't  
even supposed to  
be, and he gave  
his life to  
Christ. Two  
words changed  
Cooper's life:  
But God. These  
two words can  
change every  
single person's  
life— But God.  
Each word is

only three  
letters long.  
The phrase is  
short, but the  
implications are  
huge. The path  
may look bleak,  
dim, and  
hopeless...but  
GOD changes  
everything...  
We've all sinned

you're at a

just feels like  
things are  
falling apart.  
Perhaps you're  
portraying one  
thing on the

living something  
else on the  
inside. Maybe  
you are simply  
going through  
the motions of a  
life that's not  
quite what you  
hoped it would  
be. These  
moments drag us  
down - leaving  
us feeling

hopeless and  
lost. You need  
something to  
happen in your  
life to change.  
You need a But  
God... moment.  
The But God  
moments are when  
God comes in and  
offers a new  
path and hope  
for our lives.  
These moments

occur when we  
are at are  
lowest, and turn  
our down-trodden  
worlds around  
for the better.  
It is up to us  
to recognize and  
seize these  
moments when  
they occur and  
follow the  
renewed path God  
offers.

There is a self beyond the physical self, a self we are intimately a part of. That self, the self that as physical beings we are unaware of, speaks to how one comes to know of self as

intention  
dressed in human  
form. The story  
that unfolds  
absolutely  
captivates the  
nature of the  
ego as it  
listens, feels,  
and aligns  
itself with that  
which gave it  
purpose and  
determination. As

recognizes  
itself as a part  
of the creative

that is, it lets  
go of its  
protective  
stance, knowing  
that there truly  
is a force  
greater than  
itself which

services all stages of being. I found this recognition to begin a most stimulating journey as the human nature of oneself aligns its most spectacular, sensual nature within the heart of matter, or

inclusiveness  
within all  
things. I  
discovered the

I soon came to

of self," a  
binding agent of

To know of

follows this

a storyline
