James Reimer believes that it does matter, and that the church ignores these discussions at its own peril. In these short, accessible essays, Reimer approaches the dogmas of the Christian faith with humor, insight, and imagination. Here basics such as heaven, hell, prayer, and judgment are explained with historical insight and contemporary application-Anabaptist Mennonite priorities but with appreciation for the church's wider historical context and traditions.

Hume recognized that imagination comes from our own ideas. By saying this, Hume awoke Kant from his dogmatic slumber. He then was able to take it one step further by saying that the imagination becomes a part of the production of human concepts. Kant answers the question through his argument of transcendental imagination.
