To put it simply: A Kiss of Death destroys plenty of christian teachings by simply setting up the universe; there is no Heaven, no Hell and no God. Angels and demons have been there from the beginning of times, strolling around with dinosaurs, watching species evolve and fighting with each other. You've been warned.

The Kiss of Death is clever and sexy, it is full of references to atoms and string theory, religious myths, fantastical myths, and sexy demon and angel men. The main character, Sienna, is believable, likeable and fun to read about. Her view on everything is pragmatic and she kicks ass better than the best of them.

The Kiss of Death (El petó de la mort in Catalan and El beso de la muerte in Spanish) is a marble sculpture, found in Poblenuu Cemetery in Barcelona. The sculpture is thought to have been created by Jaume Barba, although others have claimed that its idea was conceived by Joan Fontbernat. The sculpture depicts death, in the form of a winged skeleton, planting a kiss on the forehead of a handsome young man.
