First Edition. An unusual book which recreates one year in the life of a group of Native Americans, the Anasazi, who lived in a pueblo community 900 years ago. This stone village was discovered in 1888 by two cowboys searching for lost cattle around the "Four Corners" area in a rock-sheltered alcove in the wall of a canyon.

With 500 acres of rolling countryside, there's plenty of exploring to do! With play areas for children, miles of nature trails, our own Water Park and Pembrokeshire on the doorstep, mix and match to create your perfect holiday.

**Bluestone Wales | UK Luxury Short Breaks & Family Holidays**

The book begins with a short report of a 1892 discovery in Mesa Verde, Colorado of the ruins of an Anasazi stone village under the rim of a cliff. The main section of the book, illustrated with softly shaded black-and-white pencil drawings, deals with the lives of the 25 tribal members who might have lived in such a village.

The Blue whinstone at Old Hartley, lies outside the Delaval Arms. The stone once marked the centre of the village of Hartley. It was possibly a Saxon boundary stone. At the time of the black death in the 14th century people believed that by touching the stone they would become immune from the plague.
