Chicago. It provides in-depth discussion and insightful analysis of the United States tax regime as applied to international transactions. Covering both inbound and outbound transactions, the author reduces the most complicated issues to clear, understandable and practical domestic and foreign-based tax strategies. Exploring the labyrinth of international tax law in a compelling and illuminating way, the book fosters a new level of understanding and appreciation of the law for all tax practitioners.

Discusses two fundamental principles of US taxation of international transactions, i.e. tax jurisdiction and the source of income rules. Explains how the US taxes the foreign activities of domestic corporations, US citizens and other US persons. Includes chapters on the foreign tax credit, the deemed paid foreign tax credit, transfer pricing, controlled foreign corporations, foreign sales corporations and income tax treaties. Describes how the US taxes the US activities of foreign corporations, non-resident alien individuals, and other foreign persons.

This book contains essays written in honour of Prof. Dr Bertil Wiman, a renowned tax scholar and much-appreciated teacher. Prof. Wiman is one of the founding members of EATLP, former chairman of EATLP and former vice president of IFA. The essays cover various topics in the field of international tax law, with a major focus on corporate taxation, an area to which Prof. Dr Bertil Wiman has dedicated most of his research. The book includes authoritative analyses by acknowledged experts on several key international tax topics, which illustrates the growing complexity of this area together with its rapid evolution. The book contains analyses of key international topics, such as: the tax challenges of the digitalisation of the economy; the resolution of international tax disputes; the principles for the taxation of corporations; EU tax law; transfer pricing; and tax treaty law. The depth of the essays contained in this book mirrors the importance of the contributions of Prof. Dr Bertil Wiman to the international tax community. It will also prove of great value to policymakers, tax practitioners and academics.
