"Who the Holy Spirit is determines what the Holy Spirit does. Who is the Holy Spirit? aims to help people see who the Holy Spirit is through Scripture's description of him, offering biblical insights into the identity of the third person of the Trinity. With consideration for the Spirit's identity derived from both Old and New Testament accounts, author Malcolm B. Yarnell focuses on identifying characteristics of the person of the Holy Spirit himself, rather than discussing the work of the Spirit solely in the context of salvation and sanctification, or external signs and wonders."

The Holy Spirit, once forgotten, has been "rediscovered" in the twentieth century - or has he? Sinclair Ferguson believes we should rephrase this common assertion: "While his work has been recognised, the Spirit himself remains to many Christians an anonymous, faceless aspect of the divine being." In order to redress this balance, Ferguson seeks to recover the who of the Spirit fully as much as the what and how. Ferguson's study is rooted and driven by the scriptural story of the Spirit in creation and redemption. Throughout he shows himself fully at home in the church's historical theology of the Spirit and conversant with the wide variety of contemporary Christians who have explored the doctrine of the Holy Spirit. Foundational issues are surveyed and clarified. Hard questions are explored and answered. Clarity and insight radiate from every page. Here is the mature reflection of a Reformed theologian who will summon respect and charity from those who disagree.

The Holy Spirit was sent to lead and guide believers in every area of their lives, their finances, marriages, careers, businesses, etc. When Christians give the Holy Spirit complete control of their lives and allow him to do what he was sent to do, they will be able to avoid the pitfalls of the enemy. When you are led by the Spirit, you can mistake-proof your life! Many believers are not experiencing the power and privilege of being led by the Holy Spirit on a daily basis. He is the underutilized power source in the lives of believers. Jesus told his disciples before and after his resurrection that he was going back to his Father and would send back the Holy Spirit. He knew believers could not live a victorious Christian life without the help of the Holy Spirit. Jesus sent believers the ultimate power source!

The Holy Spirit is often portrayed as something "weird." But the Bible makes it clear that the Spirit is not something. He is someone—a Person who has promised to never leave your side. John Bevere invites you into a personal discovery of the most ignored and misunderstood Person in the Church: the Holy Spirit.

The person and work of the Holy Spirit spark much interest these days—but also much confusion. Many do not fully understand who the Spirit is or how He works in our lives. Some people even claim that the Spirit speaks to them apart from the Bible. In this booklet, Dr. R.C. Sproul cuts through the confusion by going to Scripture. After explaining who the Holy Spirit is, Dr. Sproul briefly sketches His work in this world, from giving new life to unbelievers to sanctifying and empowering God's people. The Crucial Questions booklet series by Dr. R.C. Sproul offers succinct answers to important questions often asked by Christians and thoughtful inquirers.

This book studies the Holy Spirit through the lens of both biblical and systematic theology. It provides a comprehensive look at the third person of the Trinity as revealed by Scripture, focusing on eight central themes and assumptions.

"The following pages represent the gist of a series of sermons given on successive Sunday evenings to the congregation of the church of which I am pastor. The fact that these were originally spoken messages accounts for their racy style and for the personal references which occur in them occasionally. Had I been writing the messages I should have exercised greater care in the composition. The subject is, however, so vitally important that I feel sure the reader will pardon the offhand style of the language. The truth is always good even when the vehicle in which it rides is homely and plain."
